

MANIPAL INSTITUTE OF TECHNOLOGY

MANIPAL

(A constituent unit of MAHE, Manipal)

July 09, 2020

Dear ***Students and Parents,***

In view of the evolving conditions related to COVID- 19, the institute has reviewed the possible options for the resumption of Academic activities.

The classes for the ***new academic year for all the higher semester*** B.Tech. and M.Tech./MCA programs will commence as notified earlier, ***in ONLINE MODE (in MS Teams), from August 03, 2020.*** The department will notify the detailed **time table** of the online classes and the assignment schedule by July 23, 2020.

Subsequently, the academic activity is planned to be continued in conventional mode from October 01, 2020 onwards, in a staggered manner, subject to clearance from the regulatory bodies. The institute will ensure all precautionary measures necessary for the safety of students in the campus, as per the guidelines of MHRD/UGC/District administration. The details of the proposed plan will be communicated to you by September 01, 2020. We request you to plan your return to the campus only after receiving communication from the institute.

Students are required to complete the registration process for the academic year 2020-2021 through the SLCM on or before August 01, 2020.

Dr. Raviraja Adhikari

Associate Director (Academics)
